Historic Preservation NTTF REVIEW AND PROMOTION POLICY

Approved by the Office of the Provost and Academic Affairs: January 19, 2017

PURPOSE

This policy outlines the Historic Preservation Program’s policies and procedures for conducting review and promotion assessments for Non-Tenure Track Faculty. The ranks associated with NTTF can be found here: https://academicaffairs.uoregon.edu/non-tenure-track-appointments. This policy applies to all represented faculty and is intended to comply with all provisions of Article 19 of the CBA. To the extent there are any discrepancies or inconsistencies, CBA Article 19 controls for represented faculty. This policy also applies to all unrepresented faculty, unless a university-wide policy exists that contradicts the terms of this policy.

1. Inclusion and Limitations

Career NTTF are eligible for regular reviews associated with contract renewal and promotion reviews per the terms of the Collective Bargaining Agreement (CBA). The following process and procedures are utilized by the program for these reviews. It is noted that although a review for promotion may be substituted for a review for contract renewal, the decision on whether or not to renew a contract must be made independently from the promotion review itself. If review or promotion procedures change during the course of a faculty member’s employment, they may elect between current criteria and those in effect during the six years prior to the initiation of a given review or promotion process.

Pro Tem (adjunct) faculty are evaluated by way of end-of-term student course evaluations. While not required, adjunct faculty may request peer evaluation of teaching. There are no promotion opportunities for those appointed as adjunct NTTF.

2. Evaluation Criteria

2.1. Review – Evaluation Criteria will mirror the program’s Merit Policy criteria, with the caveat that weighting of the review criteria will reflect a realistic balance of duties.

2.2. Promotion – Evaluation Criteria will mirror the program’s Merit Policy criteria with the following modifications, or otherwise as needed to reflect a realistic balance of duties:

2.2.1. Review Period – The candidate will be reviewed for the period of time over which the candidate established themselves as eligible for promotion under the terms of the CBA (see Article 19, Sec. 5).

2.2.2. Consideration of Individual Professional Responsibilities and Contributions – A candidate must be considered for merit criteria in each dimension of Teaching; Research, Scholarship, and Creative Practice; and Service provided in the candidate’s job description. Additionally, a candidate may opt to include consideration of merit criteria in any dimension of Teaching; Research, Scholarship, and Creative Practice; and Service even if the candidate is not normally assigned duties in those designated areas. In such cases, the candidate will submit a written request to the Program Head detailing the weights they
would like used for the promotion evaluation. The Program Head may either accept or modify the weights of the dimensions, and will provide the candidate with a final proposal for alternative criteria weights. The Department Head may not depart unreasonably from the contractual weights or unreasonably emphasize activities that contribute little to the achievement of University duties. The candidate must notify the Program Head in writing whether they choose to be evaluated per the Program Head’s alternative criteria weights or the weights provided in the candidate’s job description. The criteria weights may not be altered by either the candidate or evaluators once this written determination is made. Given that NTTF appointed to positions less than 1.0 FTE are teaching dominant alternate areas for merit consideration may not exceed 10 percent.

2.2.3. Standards of Performance for Promotion
Promotions are granted on the basis of whether or not in the academic and professional judgment of the evaluators, the candidate has performed to a standard where they meet the criteria to qualify for a rating of either “Exceeds Expectations” or “Highest Expectations” under the merit criteria for the duration of the review period.

3. Review
The review process will include an opportunity for the Career NTTF to discuss their efforts & performance with a supervisor at least once during each contract period.

3.1. Frequency – Reviews are conducted in each contract period, or every three years, whichever is sooner. In the case of NTTF who teach every other year, review will not be conducted in a non-teaching year.

3.2. Timing – In years where a merit assessment is performed, that merit assessment will serve as the review for all NTTF. If a merit assessment is not required, the Program Head will follow the merit process to perform a similar assessment not connected to a merit increase.

3.3. Criteria – The reviews will be based on the program’s Merit Policy criteria, with the caveat that weighting of the review criteria will reflect a realistic balance of duties. Review will consider performance since last review. In evaluating the performance of required professional development activities, the review will consider the availability of professional development funds, opportunities for professional development, and the Career NTTF faculty member’s efforts to secure funding. Career NTTF will be evaluated on the quality of their teaching and other professional responsibilities in proportion to the FTE in their job descriptions. To the extent applicable, the evaluation of scholarship, research, and creative activity will include an assessment of work quality, impact on the field nationally and internationally, and overall contribution to the discipline or program.

3.4. Materials – Review materials will be submitted in accordance with the program’s Merit Policy. As part of each contract review, Career NTTF will have an opportunity to submit a personal statement containing information relevant to their performance of assigned duties and responsibilities. For instructional Career NTTF, student course evaluations will be offered for all courses with five or more students. The evaluation of teaching will include a review of evaluations for each course taught and one peer review of teaching per contract period.
3.5. **Documentation & Notification** – Documentation and notification will be provided accordance with the program’s Merit Policy. Notice of a peer review will be given at least 1-week before a peer review is conducted.

4. **Promotion**

The Historic Preservation Program affirms the NTTF Promotion process and procedures outlined in Article 19 of the Collective Bargaining Agreement, and provides the following program specific clarifications:

Candidates choosing to waive access to these documents maintain all rights afforded to them under the CBA with regards to use of redacted version of the documents in a denial review process.

The report will include the program promotion committee recommendation, a voting summary, and the Program Head’s independent recommendation. The file will then be sent to the Dean or Dean’s designee for review.

4.11. **Review by Vice President, Dean, or Director** – The vice president, dean, or director, as appropriate, (“Reviewer”) will review the file and consult with appropriate persons and may ask for and document additional non-confidential information. Once the review is complete, the Reviewer will prepare a separate report and recommendation. The Reviewer will share their report and recommendation with the candidate and allow them 10 days from the date of receipt of the report to provide responsive material or information, which shall be included in
the evaluation file. The Reviewer will then submit the complete evaluation file to the Provost or designee.

4.12. **Review by Provost or designee** – The Provost or designee will review the file, with input from Academic Affairs and the Office of the Vice President for Research and Innovation, as appropriate, and decide whether to grant or deny promotion.
