The VPRI RESEARCH CORE FACILITY INTERNAL GOVERNANCE POLICY

Policies will be discussed at meetings set per section 2, where members will have opportunity to provide feedback on governance policy. Where appropriate, the Leadership Committee chair will call for formalized votes on internal governance policy decisions, such that the member perspectives will be represented accurately.

   1.2. **Merit Increase Policy** - Policy regarding non-tenure track faculty (NTTF) employee merit increases are to be established and amended by Leadership Committee (described below), and put to a vote of the RCF membership.

2. **Meeting Protocol**
   The Leadership Committee will provide a minimum of three days' notice to RCF members via email regarding any meeting where governance topics are addressed as significant items on the meeting agenda. Members will be provided information in advance to facilitate discussion. These meetings provide a forum where individual viewpoints can be put forth for consideration. As practicable, meetings will include opportunities for members to participate via telephone or other means of remote access. Members unable to attend may provide written input to the Leadership Committee prior to the meeting. Meetings may occur virtually via email, telephone, or video conference. The Leadership Committee chair may choose to call for formal votes during these meetings, as either a

Emergency situations may arise that do not allow for the agreed upon notice to be given prior to the meeting. In such situations, the Leadership Committee will make all reasonable accommodations to ensure that members are represented in the meeting. Such emergency situations are intended to address short-term accommodations, and that these meetings will not be used to discuss or decide upon longer-term policy.
