NTTF Promotion Timeline

The timing of the preparation, submission, and evaluation of the promotion dossier follows a timeline similar to the tenure-track-faculty promotion and tenure process. NTTF promotion files will be accepted on a rolling basis. Files that are received in the Office of the Provost (OtP) (for instructional NTTF) and in the office of the Vice President for Research and Innovation (VPRI) (for research NTTF) between February 1 and April 1 will be decided on by the provost by June 1. The provost will notify the candidate in writing, with promotion taking effect at the beginning of the next fiscal year or with the next contract renewal, whichever comes first.

All promotion reviews have three levels of review: unit level, college or vice president level, and provost level. Typical cases may follow this rough timeline:

**Prior academic year**

- Candidate notifies unit head of intent to be considered no later than June 15 for 9-month; June 30 for 12-month faculty

**Fall term - Preliminary Work**
